

8th ICMBMP 2014

First Circular

8th International Conference on Mushroom Biology and Mushroom Products

19-22 November, 2014 at NASC, New Delhi (India)

Organized by
World Society for Mushroom Biology and Mushroom Product,
Directorate of Mushroom Research, Solan and
Mushroom Society of India

For details please visit: www.icmbmp8.org

About the Conference

8th International Conference on Mushroom Biology and Mushroom Products (ICMBMP8) is being organized to bring together scientists and other professionals with an interest in mushrooms and mushroom products, including those associated with economic, environmental and engineering issues. This will also be an opportunity to understand the growth of mushroom industry in India. The conference is being organized by World Society for Mushroom Biology and Mushroom products (WSMBMP), Directorate of Mushroom Research, Solan and Mushroom Society of India at NASC, New Delhi from 19-22 November 2014. The themes included in the conference are:

1. Biodiversity and Taxonomy
2. Genomics, Genetics and Breeding
3. Bioinformatics and Nanotechnology
4. Biology, Biochemistry, Physiology and Development
5. Waste conversion & utilization, Substrates, Casing and Crop management
6. Myco-molecules, Medicinal, Nutritional and Nutraceutical properties
7. Mycorrhizal, Entomopathic and other novel mushrooms
8. Pests and Diseases
9. Value addition and Mushroom products
10. Economic, Social, IT and marketing issues

Invitation

On behalf of the World Society for Mushroom Biology and Mushroom Products, Directorate of Mushroom Research and Mushroom Society of India, we are delighted to invite you to participate in this important scientific conference. More than 250 delegates from various countries are expected to participate.

The conference has as its goal the exchange of information about new findings in the aspects of mushroom biology and mushroom products including genomics, genetics, molecular biology, breeding, evolution, biodiversity, systematics, biochemistry, physiology, nutritional and medicinal aspects, Innovative products from mushrooms, cultivation technology and bioconversions.

We invite you to participate in this important conference. For details please visit www.icmbmp8.org. We urge you to register by creating your login information (you can pay registration fee now or later and submit abstracts using the login id).

Yours sincerely

Manjit Singh

Chairman, Steering committee, 8th ICMBMP

The important dates to be remembered are

Registration starts on	January 15, 2014
Call for abstracts opens	January 25, 2014
Call for registration & abstracts closes	July 15, 2014
Notification to authors	July 31, 2014
Last date for full papers	Sept 15, 2014
Early bird registration fee by	August 15, 2014

Sponsorship

We are pleased to offer opportunities for sponsorship and trade exhibits. We are confident that with the continued level of support and financial commitment from sponsors, we can stage a conference that will be both rewarding and memorable for all those who participate. For details, kindly email to icmbmp8.manjit@gmail.com or visit www.icmbmp8.org.

Call for Abstracts

Authors are invited to submit abstracts representing original work that fall into or are related to the topic areas listed above. The abstracts may be submitted online on: www.icmbmp8.org. Each abstract will be reviewed before inviting the authors to submit the full articles. Please follow the instructions carefully to prepare and submit the abstracts. Please indicate type of presentation you prefer. The steering committee reserves the right to assign oral or poster presentation. The last date for submission of abstracts is 1st July 2014. Only those abstracts/papers will be published whose one of the author's registration fee is received by due date. If the registration and payment for the conference haven't been finished by the deadline, the presentation will not be listed in the program.

For the detailed guidelines for preparing abstracts and papers, please visit the website: <http://www.icmbmp8.org>

Registration Fees

To know the registration fee please register on the website and click on country and then category. The early bird registration will be available only upto 31st July 2014 after which the increased rates will be applicable. On the spot registration will be available for Indian participants only but will not guarantee inclusion of their abstract/paper in the proceedings.

The payment of registration fee can be made by Demand draft in favour of “ICMBMP8” Payable at Solan (HP), India. The draft may be sent to “Organizing Secretary, ICMBMP8 (MSI), Directorate of Mushroom Research, Chambaghat, Solan – 173213 (HP), India”

The Registration fee can also be paid through RTGS (Telegraphic Transfer). The detailed information of bank, swift code, etc are: Account name- ICMBMP8; Bank Name- State Bank of Patiala; Branch Name - Chambaghat, Solan; Account number- 65186082852; Swift code - STBPINBB178; IFSC Code - STBP0000178. After successful transfer of fee, kindly intimate conference secretariat at the email icmbmp8.manjit@gmail.com and satish132@gmail.com.

Alternatively, the fee can also be paid through credit or debit card on the website for which you need to fill additional information for bank requirements.

Venue

The 8th International Conference on Mushroom Biology and Mushroom Products will be held at National Agricultural Science Complex, Pusa, New Delhi, India
